You also save money by providing your own drinks. You have several dining options aboard the *Limo*: You may order dinner in advance from Star Fleet's Executive Chef; or bring your own food aboard. you'll be amazed as the waiters transform the *Limo* into an enchanted dining experience.

Celebrate in style and save money by bringing your own drinks

With seating for up to 14 on a circular couch, the *Limo* is a stylish way to celebrate any occasion. No matter how you choose to dine on the waterfront, she offers a unique, intimate way to cruise Clear Lake.

Enjoy the Kemah Boardwalk without the traffic

Avoid parking delays by getting dropped off right at the Boardwalk. Enjoy a twilight stroll on a Sunday night, or people watch any day of the week, all while the *Lake Limo* stands by to take you to your next destination.

From birthdays to anniversaries, bachelor parties to bar mitzvahs...whatever your occasion, the *Lake Limo* makes it a memorable one!

3-hour minimum charter required

BAR SERVICE Due to space limitations, you are allowed to bring on one 48 quart ice chest. If you have additional drinks that will not fit in the ice chest, bring them in a bag and we can stow them until needed.

RESTROOMS The head (restroom) aboard the yacht is small and is a "marine type" that requires the use of a foot pedal to flush. Most guests find it more comfortable to use facilities ashore wherever you will be stopping.

SMOKING Smoking is not permitted aboard the yacht. Please schedule a "smoke break" at a restaurant or at the Boardwalk with your Captain.

ENTERTAINMENT Bring your CDs. There is a CD player onboard. There are also live bands at some of the lakeside clubs and restaurants. Call ahead to see who's playing.

MARDI GRAS BEADS Have a rowdy good time, New Orleans style! Purchase Mardi Gras beads to throw at the Boardwalk visitors and other boats! \$30/Bag (144 necklaces)

ONBOARD The Lake Limo has trash bags, plastic cups, beverage napkins, wine opener, salt and pepper shakers, sugar, stir sticks, ice bucket and ice tongs.

DECORATIONS & GIFTS We discourage decorating the yacht. Usually there is a nice breeze on the water and the guests want the windows open — decorations fly everywhere. There is no room for storing gifts on board (especially if you have a full boat). Please make other arrangements for storing gifts.

CHILDREN Kids love the Lake Limo and running through the fountains at the Boardwalk. Be sure to bring a change of clothes if they get wet.

DON'T FORGET TO BRING a 48 quart ice chest with ice and drinks, clean ice for your cocktails, bottled water, wine glasses, CDs and sunglasses.

Dining Options

You may bring your own food aboard; however, most groups have Star Fleet cater their event as we provide china, silverware and linens. Also, the price of our dinner includes salad and dessert.
